Date of Birth

2001.06.29 (21 years old)

Nationality

French

Skills

- C
- Python
- Swift / SwiftUI
- Java
- JavaScript
- Vue JS
- UI / UX
- MongoDB
- React
- Angular
- Gimp
- JetBrains
- VS Code
- Xcode
- Autonomy
- Self-study
- Communication
- Project management - Agile

Languages

- French Native speaker
- English Upper intermediate level
[TOEIC 920/990](#)
- German Beginner

Interests

- Travels England, Switzerland, Germany, Italy, France
- Sports Handball, skiing, ski touring, hiking, trail-running, tennis, soccer

ROMAIN FREZIER

ENGINEERING STUDENT IN COMPUTER SCIENCE AND MANAGEMENT

Objective

4th year engineering student in Computer Science and Management looking for a **2-month internship** as a developer, in order to upgrade my hard and soft skills, and help you in the development of your applications.

School Projects

Mobile Project — March 2023 - April 2023

Python, PySpark, Pandas, AWS S3, Athena, SQL, Maths

The Mobile Project is a project that we had to do during our 4th year of engineering school. The goal of this project is to create an REST API that will be used by an iOS app.

AWI — January 2023 - March 2023

Angular, Firebase, Express.js, MongoDB

The AWI (Web Application and Interoperability) project is a project that we had to do during our 4th year of engineering school. The goal of this project is to create an REST API that will be used by a web app.

Software Engineering — November 2022 - January 2023

Java, JavaFX, Design, Modeling, SOLID, Design Patterns

The project concerns the realization of an application in Java connecting people wishing to practice a sport activity with people wishing to accompany them.

Professional Experience

J-TECH SA, Geneva, Switzerland

July 2017, July 2018, July 2019, July 2020, July 2021, July 2022

Ventilation fitter (Summer jobs)

Installation of ventilation systems in collective and individual buildings, new or renovated.

Main task performed : Installation of ventilation duct

Main skill developed : Work independently and in a team

Education

2021-2023

Polytech Montpellier

In progress...

4th year of a 5-year engineering qualification in Computer Science and Management
Expected graduation : June 2024
Equivalent to a MSC. Eng.

2019-2021

Polytech Grenoble

Admitted

Equivalent to 2 years of Preparatory Classes leading to a place in one of Polytech's highly selective Engineering Schools (a place on the 2-year course is obtained after selection and competitive exam).

2019

Lycée Anna de Noailles

Baccalauréat Scientifique, mention bien
Equivalent to a High School Diploma in Science, passed with good grades
